

LAST CHANCE TO ATTEND COOKING SCHOOL

Numerous Surprises Promised At Last Cooking School Class

Day of surprises! That's what Estelle Calkins, home economist, promises for the final session of the Safeway Stores Homemakers' Bureau course in "Kitcheneering" at the McKinley school, this afternoon.

The program has been generally catalogued under the title of "Complete Meals" but Miss Calkins declares that this third day of the local cooking school will involve much more than that.

"For example, we're going to give a very complete demonstration today of practical and economical stove usage," Miss Calkins pointed out. "This will involve explanations of both surface and oven operations at high and low temperatures."

"And then we are going to demonstrate choice meat dishes. Along with this we will discuss with local 'Kitcheneers' the various cuts of pork, veal and beef and how to select the best."

"Among the dishes which we will demonstrate will be bacon and cream cheese pinwheels, which provide an unusual hors d'oeuvre. We're also going to show the 'Kitcheneers' how to make a most delightful Porto Rican pot roast. It can be delightfully served with rice or with German potato pancakes. All of the dishes to be demonstrated tomorrow are of the type everyone enjoys."

"Complete meal planning will

take up a good portion of the last program," advised Miss Calkins. "This feature will improve the Homemakers' Bureau ideas for original and tempting breakfasts, luncheons, formal and informal dinner—in fact every type of meal that would be of interest to homemakers."

"We plan to make our last session a sparkling climax of the Redwood City 'Kitcheneering' course," said Miss Calkins. "Its completion will mark the actual demonstration from the stage of more than 35 dishes which include every possible feature of the homemaker's menu."

"From the comments we have received from homemakers attending our first two days of 'Kitcheneering,' our course this year is one of the finest we have ever presented. For my part I note that there is more interest in modern cookery than ever before. Homemakers, young and old alike, eagerly ply us with literally hundreds of questions."

Miss Calkins said past experiences had demonstrated the final day programs to be the most popular of all and seats at the auditorium are usually at a premium. For this reason she cautions all homemakers who possibly can to be at the McKinley school auditorium when the doors open at 1 o'clock. The final course will begin promptly at 2 o'clock.

In Final Bow to Redwood City

Miss Estelle Calkins, who in the last two days has endeared herself to Redwood City housewives in her "Kitcheneering" course at the McKinley School, Miss Calkins' charming personality and efficient manner of teaching brought the plaudits of every one of the 500 women present yesterday. The final session of the school will be held today.

Sunday Program At Racetrack to Benefit Legion

One of the most spectacular events ever held at Tanforan will be staged Sunday, when the track management will hold a benefit program for the American Legion. The day will be American Legion Day and the feature race will be the American Legion Handicap.

Both San Mateo county and San Francisco Legion posts are cooperating on the program with J. W. Marchbank, director general of the track. The proceeds of the day will be handed over to the Legion as a fund for the legion's state convention to be held in San Francisco during August. It is expected the day will be the greatest the San Bruno oval has ever seen.

In addition to an attractive racing program, in which the finest thoroughbreds at the track will compete, the legion will have several events of its own to offer. Post drum and bugle corps, colors and special units will participate in the legion's part of the program, and the 40 and 8, playground organization of the legion, is expected to take a prominent part in the affair.

Tomorrow (Saturday) Tanforan will offer as the feature of the day's program, the Baldwin Handicap, a five-furlong race for two-year-olds with a stake of \$1,000 added. The favorite youngster at the track are to match speed in this event.

Wire Cutting Charge Against Two Dropped

Preliminary hearing of Jack Armstrong, 54, county shelter resident charged with cutting down copper wire belonging to the City of Palo Alto at its yacht harbor within the San Mateo county limits, Monday had been continued to Saturday morning before Justice Edward I. McAuliffe.

Charges against his two companions, Hugh Carr and Mike O'Connor, were dismissed when it was shown that they were merely employed by Armstrong. The latter's hearing was delayed so that his claim that he was "authorized" by a man named Scheer to take the wire to satisfy a labor pay claim might be investigated.

Regular air mail service has been started from Edmondton, Alberta, to Coppermine, on Coronation Gulf, Arctic Ocean. Trips will be made once a month the year around.

Postal Duties Are Assumed By O'Connell

Carl Mabie Retiring
After 9 Years
In Office

Robert E. O'Connell, Redwood City business man and resident for more than 25 years, Tuesday became acting postmaster and assumed duties which have been handled by Carl K. Mabie, retiring postmaster, during his two terms of office since 1925.

Coincident with O'Connell's taking office today is a government order restoring to their former positions the carriers starting today. This change will put city mail deliveries back on a twice-a-day basis. Postmaster O'Connell reports, although the twice daily schedule has been in effect with slight limitations under Mabie despite the federal curtailment.

The appointment of O'Connell on recommendation of Congressman John J. McGrath becomes permanent after he passes civil service examinations. O'Connell, who has resided here since 1908, served during the World War as a lieutenant in the air corps for two years, after which he was with the Ryan Electric Co. for eight years and later with the Redwood Hardware Co.

Mabie retires from the postmaster position to resume the insurance business in which he was engaged for 19 years. During his period of office from August 1, 1925, the volume of business handled by the local postoffice has more than doubled, rising from \$27,000 in 1925 to more than \$56,000 during the past year. From second class rating in 1925, the postoffice became first class by exceeding the \$40,000 mark in 1929.

The change to first class resulted in the removal from the old headquarters on Broadway to the present structure January 1, 1931. During the early part of O'Connell's term the post office will again be moved, this time into the new building being planned for the site recently acquired by the government for that purpose on Jefferson avenue off Broadway.

Fourteen states have reduced registration fees for all cars or for cars in certain classes.

\$9,000 Saving Offered County By Publishers

Legal Rate Reductions
Will Mean Big
Savings

Reductions of 30 per cent in the cost of publishing the delinquent tax list and 11 1-9 per cent for other county legal printing were offered Monday by the San Mateo County Press Association to the board of supervisors. The board postponed for one week the final fixing of the rates.

Study of the rates has been engaging the attention of the supervisors for several weeks past, and follows the recommendation of the grand jury that present costs be reduced.

The reductions offered by the publishers are in the face of a prospective 10 per cent increase in costs under the NRA.

All organized labor in San Mateo county represented in the San Mateo County Organized Labor Advisory Body, including bakers, meat cutters, carpenters, painters, plumbers, typographers, etc., etc., urged that no drastic cut be made in the rates because of the effect it would have in unemployment.

Mrs. Ella Chase of Lomita Park spoke in favor of accepting the publishers' offer without making further reductions, while Chris J. Helin, chairman of the jury's printing committee, urged still additional slashes.

All Papers in Accord
Signed by all publishers, the resolution of the press association pointed out that the group has worked "diligently and conscientiously upon the proposed reductions."

The association "has co-operated with the grand jury in every instance," the resolution declared, "and wherever possible, has complied with the jury's requests. It has worked fairly and sincerely in an effort to bring about rates which would be satisfactory to all."

"The press," the resolution continued, "has stood for economical operation of government and has without complaint adhered to reductions which have been made."

It was pointed out that dropping of the publication of the former county claim list had saved the county \$3551 yearly. Reduction in the number of times for printing county ordinances from seven to one, had brought a reduction of 67 per cent in this cost, the board was informed. Setting of all printed matter in solid type, as proposed by the publishers, now reduces costs 11 1-9 per cent additional.

\$9000 In Savings
The publishers also offer 30 per cent reduction in the cost of printing the delinquent tax list.

Under the NRA, the publishers pointed out, the press is confronted with a possible increase of 10 per cent in salaries and a reduction of 10 per cent in working hours.

Reductions offered by the publishers total \$9000 yearly, the board was informed.

Bride Injured In Crash Just After Wedding

Just a few minutes after they had been happily married here by Justice Edward I. McAuliffe, Mr. and Mrs. Arthur E. Haynes of 556 California avenue, Palo Alto, were involved in an automobile collision on the Middlefield road near the Garfield school late Monday afternoon.

The bride, the former Ruth Warren, 16, and her father, Ernest Warren, were injured in the crash, both being cut about the face. The bride was thrown against the windshield of her husband's car.

The accident occurred while the three were driving back to Palo Alto after the local ceremony. Haynes' automobile collided with one driven by A. D. Slade of 220 at the intersection of Middlefield road with Semicircle road. Haynes and Slade were unhurt.

APPOINTED SECRETARY
SAN MATEO, May 2.—Miss Aurora Hultberg, 29 San Mateo drive, today was appointed secretary to City Manager Earl P. Wilsey, succeeding Mrs. Mary Rose, who resigned after several years of service.

THREE TEACHERS SPARED AS HIGH SCHOOL BOARD PUTS RULING INTO EFFECT

Although granting third-year contracts to three probationary teachers of Sequoia Union High School that will automatically bring them within the provisions of the state tenure law, the high school board of trustees late yesterday went on record to the effect that it will sanction no more permanent appointments unless satisfactory modifications are made in the tenure law.

The high school board, in its annual meeting, reappointed Miss Vera Jansen, Miss Alberta Reibenstein and Albert Terroniere, each of whom has served two years and with appointment to a third year qualifies for tenure.

James D. Hedge was re-elected president of the board to serve his fifth term in that capacity, and Walter W. Hilton was re-elected secretary for his second term.

Both men were returned to membership on the board at the recent school election.

The board did not mention any specific changes it might desire in the tenure rulings, but members declared the law as it now stands is too drastic and ties their hands completely in regard to possible termination of teachers' contracts.

According to President Hedge, committees from the California Teachers' Association and the state trustees' group are now working on proposed amendments to the tenure law to be submitted to the legislature.

List of Fifty Nearly at End Without Panel

Special Venire Likely
As Challenges Fall
On Prospects

Tedious progress toward the selection of a jury of 12 to try 14 Baden Kennel Club defendants on charges of violating the state betting laws in the use of the option system was being made today as the case went into its second day before Superior Judge Benjamin Jones of Lake county.

Nine challenges had been exercised by each side at noon today; eight jurors had been excused for cause, eliminating 26 in all; 12 were temporarily seated in the jury box, and 12 were yet to be called off the original panel of 50 prospective jurors.

Track Influences Avoided
District Attorney Edmund Scott in his challenges was removing all persons from the Northern San Mateo county area where the Baden dog track is situated because of fear that jurors may have been prejudiced against the prosecution because the track was giving employment to many persons in that vicinity.

Defense Attorney Joseph Bullock centered his challenges against persons residing in Burlingame because of a one-time "crusade" there against dog tracks.

Now In Jury Box
Four of the first 12 jurors called were still in the jury box at noon today after 24 hours of jockeying. They were:

Mrs. Mary Winter, Redwood City.
Mrs. Dora Corbin, San Mateo.
Mrs. Margaret Grise, Millbrae.
Mrs. Effie C. Mahany, San Carlos.

Latest occupants in the jury box in addition to these four were:
Mrs. Celine Angus, Menlo Park.
Mrs. Louise Tucker, North Fair Oaks.
William Crosby, San Mateo bookkeeper.
William H. Sullivan, San Mateo steel man.

Mrs. Ellen Lee, Burlingame.
Mrs. Elsie Sattler, Burlingame.
Mrs. Vesta Rider, Redwood City.
James Doman, Redwood City.

Challenges Are Listed
Challenges exercised by Scott on behalf of the state were the following:

Mrs. Anna T. Harrison, Colma, who knew one of the dog owners; Mrs. Louise Simpkins, Redwood City, who had worked for Attorney A. Mansfield; E. B. Folsom, Menlo Park, who worked at the Belmont track; Mrs. Sadie Kidd, Burlingame, who knew James Mosconi, one of the defendants; Mrs. Christine Lorentzen, Daly City; C. H. Yearlan, San Carlos; David M. Johnson, Daly City, and Mrs. Ida Foppiano, whose husband had worked at one of the dog tracks.

Bullock, on behalf of the defendants, challenged the following:
Mrs. Cora Wiggs, Burlingame, jurymen in Superior Judge Franklin Swart's court; Robert A. Higgins, Burlingame, law school graduate and insurance broker; Mrs. Anna Clark, San Mateo; Mrs.

S. J. Council Speeds Steps For Seaport

Will Proceed Without
Awaiting District
Incorporation

(See Editorial; Forum Letter)
SAN JOSE, May 1.—Study of a more speedy and economical plan to make Port San Jose a reality was initiated before the city council last night by Wilbur F. Henning, president of the port association.

President A. M. Meyer was authorized to name two councilmen on a committee with Henning and W. D. Wall, traffic manager of the chamber of commerce, the four to select a fifth member, to study the feasibility of a proposal by which much of the building expense would be taken over by a private terminal company in exchange for a 50-year lease.

By this arrangement, San Jose might institute the project without waiting for a larger port district action, paying only for half of the dredging, the federal government assuming the other half, \$260,000, while the government also spent \$40,000 in dredging San Bruno shoals to port depth.

Under this arrangement, already authorized in the current rivers and harbors bill, Henning told the council, the federal government would also spend \$30,000 a year in dredging maintenance.

Jessie Uhlenberg, Redwood City, who knows the Rev. Norman W. Pendleton, who preached a sermon against dog tracks; Mrs. Augusta B. Reid, Burlingame; Mrs. Mary Elliot, Burlingame; Mrs. Mabel L. Miller, Burlingame; A. E. Leugler, Redwood City, and Mrs. Kathryn Winter, Burlingame, wife of an architect.

Club Activity Queried
Bullock questioned Mrs. Rider concerning whether the Redwood City Woman's Club at a recent meeting had "discussed" the dog track situation and brought out on his questioning of her that she belonged to the Rev. Pendleton's church here.

Crosby, San Mateo bookkeeper, was the first jury prospect to admit to having purchased options at any of the dog tracks. He said he failed to pick any winners.

Many of the jury prospects admitted one or more visits to the dog tracks but only Crosby admitted to the option purchases. The jurors almost without fail said they had "read the headlines only" when asked if they had followed newspaper stories of the dog tracks.

Virtually all jury prospects seemed anxious to stay in the box despite the threat of being locked up should Judge Jones make such a ruling.

Prospects Yet Remaining
Prospects yet to be examined before the need of a special venire would be met were the following: Frank Micheletti, Colma; A. L. Reagan, Ravenswood; Emma Elwood, San Mateo; Joseph Grisler, Daly City; Minnie Slater, Burlingame; Peter Gouzens, Redwood City; Minnie T. Ross, Half Moon Bay; Susie T. Stephens, Redwood City; Kenneth Murray, Redwood City; Charles Meinert, North Fair Oaks; Frank Lodato, San Mateo; and Mark Nesbitt, Redwood City.

County Facing Tax Increase Over Defaults

10c per \$100 or More
May Be Necessary,
Board Learns

San Mateo county faces a tax increase of at least 10 cents per \$100 to pay off delinquent street bonds, and if the supreme court decision in the Lakeport case includes several districts and not a limitation to one issue, the increase may be 60 or 70 cents per \$100, District Attorney Edmund Scott informed the board of supervisors Monday.

The tax will be based upon the city of Lakeport decision of the supreme court, recently affirmed, that counties and cities must back up the street bonds in their various districts if default is made by the property owners.

Mathew Weber, San Francisco attorney, who represents the Union Paving Company, today made demand upon the board that it raise 10 cents per \$100 for all delinquent bond series.

\$50,000 Outstanding
Scott said that the supreme court, which originally had ordered the debt paid off in one year, had placed the 10 cents per \$100 limitation in its revised study of the situation. Scott explained that it has not been determined whether this payment is limited to one such issue or if it applies to several series of delinquent bonds.

It was said that some \$50,000 worth of delinquent bonds are now outstanding in various parts of the county for street work which the owners have failed to pay. Under the supreme court ruling, the charge is now assessed against all the taxpayers.

Referred to Grand Jury
Request of Judge Ellis Johnson and Edward Farrell that an additional constable be named for the First Township, which had the backing today of Constable Silvio Landini of Colma, who said he could not handle the work of two courts, was referred by the board to the grand jury for restudy.

The jury had urged that no successor be named to Constable James Wallace, resigned.

Formation of a fire district in Millbrae Highlands was asked in a petition signed by 283 property owners. The board appointed Lester Pallas to make an appraisal of the property within the proposed district.

Reorganization of the Lomita Park Fire District was continued one week, after the filing of a protest by Marina Vista property owners to inclusion in the proposed new district.

Salary Schedule Filed
County Auditor Edward Stack filed a report with the board showing the present county salary schedule. The board will hold a public hearing on the schedule on May 28.

Request of Dr. George K. Rhoades of Emerald Lake for a light in front of his place was referred to Auditor Stack for a report on funds.

George C. Conn, traffic consultant, in a letter to the board, protested any county bonds for development of Redwood Harbor.

Expenditure of \$900 for the completion of the Marsh road ditch; \$600 for La Honda road work, and \$450 for Ravenswood school repairs, were approved by the board upon recommendation of the San Mateo County Unemployment Relief Committee.

Traffic Officer Suffers Injuries When Hit By Car

Run down on his motorcycle by a speeding automobile in the crowded El Camino Real traffic by the Tanforan racetrack, Traffic Officer Frank Chevalier, 31, of the San Mateo county squad, was bruised on his left shoulder and hip and incurred a deep cut on his left elbow late Saturday afternoon.

Mrs. Margaret Roberts of 452 Chevalier street, San Francisco, driver of the car, was cited for reckless driving by Traffic Officer Manfred Walzberg, who was near by when the accident occurred.

According to Walzberg's report, he was directing traffic by the racetrack and attempted to stop Mrs. Roberts, who is alleged to have been driving at a high rate of speed. Before he could take up the pursuit, her automobile had crashed into Chevalier's motorcycle.

MIRRORED MUSINGS

Three San Francisco men, arrested near the San Bruno theatre early Sunday, today were commencing service at the county jail here of six months' jail terms imposed by Police Judge R. A. Rapsey of San Bruno on vagrancy charges.

The three are Harry W. Lauritson, Edward J. Harrod and Joseph Goldstein, who were found in a parked automobile in the rear of the theatre. A kit of tools that police believed to be burglars' tools was found in the car. Two of the men were reported to have police records.

Y.M.C.A. Boys Plan
For Yearly Round-Up

Boys participating in Young Men's Christian Association activities will hold their annual round-up at Pioneer Canyon, Millbrae, on Saturday.

The morning program will include rope spinning, lassoing, knot tying and other western events. A barbecue will be held at noon, and in the afternoon the boys will be entertained by riding, roping, archery and shooting. A treasure hunt will also be held.

More than 300 boys from the peninsula and San Francisco are expected to be present. John R. Tinsworth is barbecue chairman; T. E. Drisko of San Mateo, program chairman, and R. W. Simcock of Millbrae, treasure hunt chairman.

A prize will be awarded to the pioneer club whose members are attired in the best western costumes.

A. H. De Lisle
Dies Suddenly
At San Carlos

SAN CARLOS, May 2.—Alfred Henry De Lisle, 71, died suddenly this morning at his home here at 1296 Magnolia street.

He was a native of England, and had resided in San Carlos for the past four months. He formerly lived in Stockton, where he was a member of Truth Lodge No. 55, Independent Order of Odd Fellows.

Surviving him are his wife, Mrs. Ann F. De Lisle; and two sons, Leon Alfred De Lisle of Berkeley, and Ernest Godfrey De Lisle of San Rafael.

The funeral arrangements have not yet been completed. Friends may call at the Layng & Tinney Funeral Home in Redwood City.

16 Romances Broken,
County Records Show

Sixteen romances which reached the nearly final stage of filing notices of intention to wed with the San Mateo county clerk's office have been shattered since the first of the year, it was revealed today.

At least, in 16 cases couples which filed the preliminary notices have not returned after the three-day waiting spell under the "gin marriage" law and before the end of 30 days after the first filing to secure marriage licenses. In one case, the prospective bridegroom married another sweet heart, it is known, but the causes in the 15 other cases remain the couples' own secrets.

FEATURED 'IN OLD BRAZIL'

Through this charming old-world gate, which opens on a tropical garden, these three NBC stars will lead their listeners when "In Old Brazil" goes on the air for the first time, Friday night, May 4, at 8:45 o'clock. Ned Tollinger, left, is the master of ceremonies who flies down out of the skies to the coffee plantation of Senor Garcia, played by Cameron Prudhomme; and his pretty daughter, Senorita Rita, portrayed by Rita Lane, soprano. South American rhythms by Senor Garcia's orchestra will add brilliance to the program. "In Old Brazil" will be heard twice weekly starting May 4, on Friday nights from 8:45 to 9 and Monday nights 9 to 9:15 Pacific Standard Time, over NBC stations KFI, KGO, KGW, KOMO, KHQ, KOA, KDYL and KTAR.

Menlo Park

Miss Katherine Stent gave a small dinner party Sunday evening. The following guests were entertained: Mr. and Mrs. John Brooks, Jr., Mr. and Mrs. Ernest Stent, Miss Florence McCormick, Miss Betty McCann, William Taylor and Hall Bishop.

Mr. and Mrs. Mark Loughlin spent the week-end in Salinas with the latter's parents.

Mr. and Mrs. Albert Melike of San Francisco spent the week-end with the former's parents, Mr. and Mrs. Max Melike.

The local post of the American Legion are completing plans for a monster all day 4th of July celebration to be held in the Menlo Picnic grounds. A real old fashioned bar-

becue dinner will be included in the admission price which will be very nominal. The Redwood City American Legion Haywire orchestra will furnish music for dancing all day and in the evening.

There will be games and races for young and old. At night there will be a gala display of fire works. Proceeds from this affair will be used to defray expenses at the department convention of the American Legion which will be in San Francisco in August.

In 1933, railroad shipments resulting from the manufacture and use of motor cars and construction of roads exceeded 2,600,000 carloads.

Danger in Tall, Dry Grass

MENLO PARK, Apr. 30.—Special Pointing out that dangerous fire hazards now exist from dry grass and that it is the duty of the public to aid authorities in preventing fire, Thomas Cuff, chief of the Menlo Park Fire District, today urged citizens to clean up dry grass and weeds from all vacant property in the district.

"There is an ordinance in the fire district which reads that citizens must clear away all dry grass within 25 feet of all buildings and 10 feet on the outer edge of property adjoining a neighbor's holdings," Cuff explained. He also stressed the fact that state law requires citizens to obtain permits between May 1 and October 15 before burning any grass, weeds, stubble, stump, rubbish or the like. Such permit can be obtained at department headquarters opposite the Menlo Park train depot, at station number 2 at Manhattan avenue and Bayshore in Ravenswood, or at 124 Donohoe street, Ravenswood.

Anyone burning grass without a permit will be prosecuted, the Chief pointed out, adding that police officers and firemen will patrol the entire district during the summer months on the lookout for violators.

Miss Emma Hayward played the star game in the basketball match which was played by the teams of the University of California and Stanford University on Wednesday at Berkeley. The contest resulted in a victory for Stanford.

Among those who will receive the Bachelor of Arts at Stanford University during the second week of May are Miss Myrtle Rosseter, J. Leslie Johnston and Hjalmar E. Holmquist. Miss Rosseter will be graduated from the English department while both of the young gentlemen will receive their diplomas from the law department.

Robert Brown has a force of men at work erecting bleachers to seat the spectators at the laying of the cornerstone of the new court-house Monday.

"If the public cooperates with the fire department in respect to these laws," Chief Cuff said, "the number of calls will be greatly reduced. This has been proven in the last two years. Three years ago there were 318 calls. Last year we had 106 calls, which meant that the fire commissioners were able to reduce the fire tax four cents and secure a 10 per cent reduction in the fire insurance rate. We now enjoy one of the lowest insurance rates of any community this size."

Cuff said that any part of the district could be wiped out if a fire went out of control. "The chances of a serious conflagration in this community during the summer are great, as the humidity is low and a strong wind prevails throughout the day." Everyone should have the fire department telephone number placed conveniently in the home. For fire use only the phone is Palo Alto 4121. The fire department business phone is Palo Alto 4848.

The fire chief urged Menlo Park citizens to cooperate in their cleanup week between April 30 and May 5.

Two Opposing
Dr. Thompson
For ElectionCandidates Announced
By Walter High,
H. H. Boyle

BURLINGAME, May 2.—Two candidates today formally announced themselves in opposition to Dr. C. V. Thompson, chairman of the San Mateo county board of supervisors, at the August primary. They are Walter High and H. H. Boyle.

High was last month elected to the Burlingame City Council, polling the highest vote of any of the candidates. He declared today that he would run for the supervisory post as the result of the request of friends, who are circulating petitions in his behalf. He is engaged in the automobile business.

Boyle is chairman of the Burlingame Good Government League and is in the real estate business. For many years supervisor from the old Fifth Township on the coastside, Dr. Thompson changed his district and his residence to Burlingame some four years ago when the county was redivided and Burlingame was made the Fifth Township. This year will be the first time that he has come up for election before Burlingame voters.

Absorbs Standard
Plaster Plants

Announcement was made today of the taking over by the Pacific Portland Cement Company of the plants and operations of the Standard Gypsum Company, manufacturers of gypsum plaster, with plants at Seattle, Long Beach, and Ludwig, Nevada. Operations will be combined under the plaster division of Pacific Portland Cement Company with Martin Uldall, former president of Standard Gypsum, in charge.

"This forward step is taken," said J. A. McCarthy, vice-president and general manager of the Pacific Portland Cement Company, "in the firm belief that business is definitely on the upswing."

"Cement shipments for the United States for the first quarter showed an increase of 36.9 per cent over last year. In California the increase was 80 per cent, mostly due, of course, to concentrated shipments on large projects such as Boulder dam, Panama Canal and the San Francisco bay bridges."

The Pacific Portland Cement Company is a pioneer in both the Portland cement and the gypsum industries on the Pacific Coast. Standard Gypsum Company, established in 1919, has also become an important factor in its field, with costwise distribution. Combined assets of the two companies exceed \$20,000,000.

Pacific Portland Cement Company will now own and control eight cement and plaster mills, located at strategic points on water and rail, including Seattle, San Francisco and Long Beach.

The Redwood City plant on San Francisco bay has within a radius of 30 miles 65 per cent of the population of Northern California. Other plants are located at San Juan, in the heart of the Santa Clara and Salinas valleys; Plaster City, in the Imperial Valley, and Ludwig and Calach in Nevada. In addition, distribution facilities are maintained at Portland, San Diego, Sacramento, Stockton and the Hawaiian Islands.

Dwindling Estate To Buy Gas Station

Permission to borrow \$4500 from the dwindling estate of William Dunphy, cattle baron who died in 1892, was granted by Superior Judge Graham in San Francisco yesterday to Mrs. Viola Burnett, a granddaughter.

Her once \$100,000 interest in the \$1,000,000 estate left by Dunphy has shrunk to \$10,000, it was brought out. Dunphy at one time owned 200,000 acres of land in California and Nevada.

Shiek Raphael Emanuel of Chaldea, a native of that Bible land, will speak at the First Baptist Church Sunday evening at 7:45, it was announced today by the Rev. Charles H. Gatchell.

The visitor will tell of the country's past and as it is now. The public is invited.

Farm Debt Body In County Picks List of Officers

Officers of the County Farm Debt Adjustment Committee recently named by Governor James Rolph were announced today as follows: C. F. Humphrey, Pescadero, chairman; Alvin Hatch, Half Moon Bay, secretary; P. A. Oliver, San Mateo; R. E. Longwell, Millbrae, and E. C. Peck, South San Francisco, members.

The committee makes public the following statement of its work:

(a) Any debtor or creditor seeking a re-adjustment in the debt relationship, one with the other, may ask this committee to investigate and make recommendations to either or both parties for the purpose of effecting a satisfactory solution.

(b) Application blanks will be furnished to either the debtor or creditor seeking adjustment. These blanks may be secured from members of the committee.

(c) This committee has nothing to do with the actual refinancing of farm loans under the federal farm relief legislative program. Such relief should be sought through the federal land bank of Berkeley.

Applicants in the Redwood City-San Mateo district will probably find it most convenient to apply to Mr. A. P. Oliver at the Peninsula Building & Loan Association, 235 Second avenue, San Mateo, for application blanks, information as to the work of the committee, or for assistance from the committee on his individual debt problem, as either debtor or creditor. How-

ever, the same information or assistance may be obtained from any of the other committeemen.

During Mr. Humphrey's absence in Washington, D. C., on dairy farmer's relief work, parties in the Pescadero district are requested to apply to Mr. Humphrey's associate, Mr. James H. Hugin, 315 Montgomery street, San Francisco, or else to one of the other members of the committee.

Man Badly Slashed At Half Moon Bay

One Half Moon Bay resident was in a serious condition Monday at the Mills Memorial Hospital at San Mateo from a serious stab wound in his left shoulder and upper arm, and his brother-in-law was held in investigation, as a result of a family fight Sunday.

The wounded man is Harry Harrison, 29, whose shoulder and arm were slashed to the bone, allegedly by Alfred Capote, 32, his brother-in-law. Harrison was in a weak condition from loss of blood from a severed artery.

According to an investigation by Deputy Sheriff Leland Quinlan, who arrested Capote, the slashing occurred in front of Harrison's home after the two men had quarreled.

Max Segal, Local Grocer, Succumbs

Max Segal, 64, Redwood City grocer of 2 Poplar avenue, succumbed on Monday at the Community Hospital at Beresford to an illness of several months.

Services are being arranged by the Hebrew Funeral Association.

Snowfall Reported In Sierra Region

RENO, May 1 (UP)—Unseasonable weather greeted May today in Western and Northern Nevada with occasional snow. Warmer temperatures were predicted for tomorrow.

More than 12 inches of snow fell during the past 24 hours on the Donner summit of the California-Nevada highway and five inches fell at Truckee, it was reported here.

Fire Protection In Western Hills Debated By Club

Plan for securing a fire truck to be centrally located in the western hill section was discussed at the meeting recently of the West of Redwood Improvement Association. The cost, according to a report by Wayne B. Millington, chairman of the legal committee, would be 85 cents per \$100. The truck would be manned by a volunteer department.

Millington also gave a report on resurfacing and maintaining of principal roads.

Two hundred and twenty-five members were now reported in the association. President Gus Chevasus gave a report on the formation of the group and its growth since November 2.

RETURNS HOME FROM LOS ANGELES

Harry C. Reed has returned from a business trip which took him to Southern California and Nevada during the past week.

Boy Scout Band Concert Draws Local Visitors

Several hundred peninsulars and visitors gathered at the Emerald Bowl Sunday afternoon to hear the concert given by the 75-piece San Mateo county Boy Scout band. The concert, the first event held at the improved bowl since the Easter sunrise service earlier in the month, was well received by those who made the trip to the peak. It was planned by the city council and chamber of commerce to inaugurate a series of events in the bowl to draw visitors to Redwood City.

Arrangements for the concert were made by a committee headed by Mayor Charles G. Lambert, assisted by the Rev. Norman W. Pendleton.

Auto Loses Tire Off Wheel, Driver Hurt

His automobile crashing after the tire and rim became detached while he was driving along Middlefield road near St. Patrick's Seminary, Joseph Bruno of 601 Almond street, East Palo Alto, incurred a possible concussion of the brain and severe bruises at 7 o'clock Sunday. The accident to the wheel caused Bruno's car to lurch into a telegraph pole, crash into two trees and then overturn, according to Deputy Sheriff Leland Quinlan, who was called to investigate the crash.

In the last year, airplane sales abroad absorbed 33.8 per cent of the total production of aeronautical products, and engine sales took 15.0 per cent.

Andrew Maguire Passes at Home

Funeral services were held at the Sacred Heart Church on Fillmore street, San Francisco, at 9 a. m. Wednesday for Andrew H. Maguire, 64, who passed away last night at his home here at 115 Birch street.

Surviving are the widow, Mrs. Elizabeth Gales Maguire, and a brother, Dr. Thomas Maguire of San Francisco.

Two Minor Blazes Occur Over Week-End

Members of the Redwood City Fire Department were called out on two minor blazes over the week-end. Neither caused any appreciable damage.

The first, Saturday afternoon, was a grass blaze on Warwick street. The second was a small fire last night at the Reinhard jewelry store on Broadway. It had already been extinguished when the firemen arrived.

CANDIDATES' ROAD SIGNS WIN PROTEST

Kelly Advises Board That State Will Enforce Law

Earl Lee Kelly, state director of public highways, informed the board of supervisors today that candidates' signs appearing on telephone posts and trees would bring arrests as these are in violation of state law regulating outdoor advertising.

Particular reference is made to quarter cards of candidates. Kelly asked the board to supply the names of all candidates so that they can be contacted personally and advised against the practice.

The candle fish of the Pacific is so oily that Indians use it for a candle; it burns readily if a wick is passed through the body. A comet seen in 1843 had a tail 150,000,000 miles long.

Arizona was the last state admitted to the Union.

R. C. Harbor Held Benefit to County

Benefits to the entire San Mateo county from the proposed Redwood harbor development were cited today by J. W. Coleberd, chairman of the citizens' harbor committee, in a letter to the county board of supervisors in reply to a communication in which George C. Conn of San Mateo opposed a proposed bond issue to secure federal aid.

The report of the board of army engineers as to the economic value and feasibility of the project is reflected in the federal government's willingness to spend \$279,000 outright to assist the harbor development, Coleberd's communication pointed out. This would be exclusive of a recommended early annual appropriation of \$16,500 for maintenance.

Traffic survey by an expert employed by the board of harbor commissioners showed that the tonnage available exceeds the capacity of the proposed first unit and the probable financial advantage, a surplus that could be used for recreational harbor developments at other county communities, according to Coleberd's letter. The district is designed to benefit

all the county, he asserted.

Vote Necessary for Bonds

In answer to Conn's contention that the district was established on the understanding that the government would supply the necessary funds, Coleberd pointed out that at that time information was that 30 per cent would be granted outright and 70 per cent loaned on a lease contract plan. Since that time, bonds have been required for projects. "Only the voters can obligate the district," Coleberd stated.

In conclusion, his letter stated:

Advantage Now Offered

"The important thing before the people of the San Mateo County Harbor District is the advantage now offered by the federal government. There is the offer of the federal government to pay the entire cost of dredging the San Bruno shoals, one-half of the dredging cost of the first harbor unit to be constructed, and 30 per cent of the cost of the shore improvements.

"It is estimated that the cost of dredging the San Bruno shoals will be \$107,000. The amount to be spent by the federal government in dredging for the first unit is \$94,000, and the estimated amount to be covered by the 30 per cent grant is \$78,000. The total of these

items is \$279,000. Furthermore, the money which will be loaned to the district by the federal government will bear 4 per cent interest, a very low rate. These are advantages of the most important character. Good business judgment warrants accepting these offers without delay. Finally, it is submitted, in the light of all the information of record, and the proposals of the federal government, that the project will be of untold benefit to San Mateo county and will be more than self-supporting."

TAX AMENDMENT LOSES

WASHINGTON, May 1 (UP)—The house today voted down the senate Couzens amendment to the tax revision bill which would increase income taxes 10 per cent for one year as a "recovery levy" to raise \$55,000,000. The motion to concur in the senate amendment was defeated 167 to 45.

CAMOUFLAGE GETS HAWK

LONDON (AP)—It took Capt. H. W. Parker, secretary of the Cuddington Golf Club, two years to bag a hawk that preyed on smaller birds around the course. He outsmarted the marauder by hiding his shotgun in a golf bag. The hawk, heedless of golfers, got within range. Now the bird is in a case at the clubhouse.

Relief Board Given Praise

Refuse Resignations, County Board Advised

The State of California Emergency Relief Association in a communication to the board of supervisors today urged that the resignations of the San Mateo county board be refused because of "very faithful service" in the relief cause. The resignations had already been withdrawn following a conference called by Dr. C. V. Thompson, chairman of the board.

A. W. Rogers, Menlo Park, appeared before the board to request a grand jury inquiry into the union activity on CWA jobs. He also asked to have made public the findings of the relief committee on this subject.

Sam D. Merk, director, has agreed to appointment of a special professional assistant in the relief work as recommended by the relief committee and differences between himself and the group have been ironed out.

San Quentin Warden Denies He Will Quit

SAN QUENTIN, May 2 (UP)—Warden James Holohan of San Quentin today termed as "bunk" reports that he contemplated resigning because of his health.

The warden sent word from Tassajara Hot Springs, where he is taking a few days' rest.

"Someone is simply trying to play politics," the warden said.

School Pageant Nets Dental Clinic \$100

The sum of \$118 was realized in gross proceeds from the spring festival given by pupils of McKinley Intermediate School for the benefit of the dental clinic, it was announced today by Mrs. Lauretta Paulsen, principal. Of this amount, \$100 was cleared for the dental clinic.

JOAN ANDREWS

On Monday, May 7, Miss Joan Andrews, one of the west's most famous food experts, will tell about raisin week over Station KPO, at 10 a. m., on the Golden State Menu Flash program. Miss Andrews has spent considerable time developing new and interesting raisin recipes. One of these recipes was sent to Miss Andrews from England by a friend of hers who states that it has been used in the same family for hundreds of years.

TASTY BUFFET PLATE SUGGESTED

It's quite a vogue to serve this tempting buffet plate of White Star tuna salad, sandwiches and stuffed celery, a combination inspired by the very beautiful etched ruby glass, gold-banded serving dish with lettuce and mounted a zesty tuna salad in the center. Upon the rim of the plate she placed an attractive assortment of fancily cut sandwiches, spread with pineapple cream cheese and garnished with circles of spiced watermelon preserves. Curly celery, chilled to a crunchy crispness, was stuffed with a piquant relish and completes this beautiful array.

C. C. Directors Support Bonds

Harbor Issue Ballot Favored; Members To Be Consulted

Submission of the proposed Redwood harbor bond issue to the voters of the San Mateo county harbor district was unanimously endorsed in a resolution adopted by the directors of the Redwood City Chamber of Commerce at their meeting here late yesterday.

The proposal will also be submitted to the chamber's membership at large at the dinner meeting to be held by the organization in conjunction with local service clubs on May 22.

J. W. Coleberd, chairman of the citizens' harbor committee, L. D. Kennedy, County Engineer James S. James and L. C. Macabee of the county engineer's office tomorrow will make a visit to the Stockton port to inspect its development, the directors were informed.

Numerous reports of recent chamber activities were also made to the directors at their meeting.

SUMMONS-DIVORCE No. 23147

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

SAMUEL ULMONT WALKER, Plaintiff, vs. ELIZABETH REED WALKER, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the Complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

Department No. 1.

The People of the State of California send Greetings to:

Elizabeth Reed Walker, defendant.

YOU ARE HEREBY RE-

QUIRED to appear in an action brought against you by the above-named plaintiff in the Superior Court of the State of California, in and for the County of San Mateo, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons, if served within said County of San Mateo; or if served elsewhere within thirty days.

The said action is brought to obtain a judgment and decree of this court dissolving the bonds of matrimony now existing between plaintiff and defendant, on the grounds of defendant's desertion, also for general relief, as will more fully appear in the Complaint on file, to which special reference is hereby made.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract or will apply to the Court for other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 12th day of April, A. D. 1934.

E. B. HINMAN,
Clerk.

By MURA B. STILLES, Deputy Clerk.

(SEAL)

CHARLES H. FREY,
995 Market Street,
San Francisco, California.
Attorney for Plaintiff.
